24th May 2018

Dear Parent / Carer,

Homework and Y10 GCSE mock examination preparation

As you are aware, the Y10 pupils sat their first mock examination in January which assessed the first term of work in each of their chosen GCSE subjects. After May half term, the week commencing Monday 18th June, all Y10 pupils will sit their end of year GCSE mock examinations. These mock examinations will assess them on the content, knowledge and skills they have acquired throughout the whole of year 10.

As we approach the half term holiday it is important that all pupils in Year 10 take time to have a well-deserved rest. However with the mock GCSE examinations beginning in the third week after the half term holidays, it is also very important that Y10 pupils continue their preparation and thorough revision for these examinations.

You will find attached to this letter a list of homework / revision tasks for each GCSE subject which I hope you will find useful to support your son / daughter at home. This information will also be available on our school website. All departments have set these homework / revision tasks that will last, on average, 2 hours. Each pupil has been provided with all the revision material needed for these tasks from their individual subject teachers and these tasks can be used to help pupils thoroughly prepare and revise for their mock examinations over the half term holiday.

We will continually strive to support, help and guide our pupils in the preparations before their GCSE mock examinations. We would also like to take this opportunity to thank you for your continued support and cooperation.

Kind regards

Mrs D Burns
Assistant Headteacher
